

MARKET QUOTATIONS

CORN RECOVERS; NO SELLING PRESSURE

Chicago, Oct. 4.—Absence of selling pressure allowed the corn market to recover somewhat today from recent severe declines. Liquidation by holders seemed to be at an end for the time being and shorts appeared to be disposed to take profits rather than to incur new risks. Commission houses were only moderately active, and their business well divided. Opening prices, which ranged from the same as yesterday's finish to 7 1/2 highest, with November 1.29 1/2 to 1.30 and December 1.28 1/2 to 1.27 were followed by gains all around and then by a fair reaction.

TREND IRREGULAR ON STOCK SELLING

New York, Oct. 4.—Further moderate selling of war shares, including equipments, contributed to the irregular trend in the first half hour of today's stock market. United States steel and Crucible steel reacted a point each with specialties, such as Sumatra tobacco and Texas company. St. Paul also yielding to the same extent. These recessions were balanced by renewed strength in shipping, Mexican petroleum and utilities, the latter being represented by Brooklyn Transit, Philadelphia company, Peoples gas and Ohio gas.

KAISER SENT AD WHEN HE LEARNED OF PLIGHT, CLAIM

Paris, Oct. 4.—Emperor William sent a military mission to Sofia as soon as the situation there was reported to him according to the Suedische Nachrichten of Munich. This mission, it is said, has placed German and Austrian troops at strategic points along the principal Bulgarian railways. Bulgarian deserters reached a point within six miles of Sofia according to a Zurich dispatch to the journal, but were driven back by Bulgarian contingents.

WAR SUMMARY

American, British and Italian warships have destroyed the Austrian naval base at Durazzo, Albania, thus reducing Austria to one large, unsheltered base in the Adriatic, that of Pola. The destruction of the naval base at the time the Austrians are in dire straits and with the launching of a new offensive by the Italians they are threatened by encirclements. The Germans along the sector from Lens to Amiens are in retreat with the British in close pursuit. The enemy are abandoning the region south of Lens where they were threatened by encirclements. With Roulers in the hands of the advancing British and Belgians in Flanders, it is believed that the German base of Ostend will be short of supplies. More than four thousand prisoners were taken yesterday by the British around St. Quentin, where General Haig's forces have plunged through the last line of the formidable Hindenburg defense system. American and French troops in the Champagne have made further advances north of Verdun. Northwest Belgium the French have also increased their gains.

SLAYER GIVES UP AT DUBUQUE, IOWA

Dubuque, Iowa, Oct. 3.—Nicholas Christ, murderer of Mike Parlos, surrendered to the police late Wednesday when a search of the city and neighboring towns was in progress. He is being held in the county jail and has indicated that he will plead self-defense. He is accused of shooting and instantly killing Parlos when the latter entered a room in his home and found Christ there with Mrs. Parlos. Christ had been in hiding in this city since the crime and said he was waiting for the arrival of an attorney from Chicago.
